INFORMATION CIRCULAR

This information circular ("**Circular**") is furnished in connection with the annual and special general meeting (the "**Meeting**") of shareholders of Royal Road Minerals Limited (the "**Corporation**") to be held at the Corporation's offices located 32 Hue Street, Portman House, Ground Floor St Helier, Jersey, Channel Islands, JE2 3RE on Friday, November 10, 2023, at 10:00 A.M. (GMT) for the purposes set forth in the accompanying Notice.

ATTENDANCE

To be entitled to attend and vote at the Meeting, shareholders must be registered in the register of shareholders of the Corporation at 10:00 A.M. (GMT) on Wednesday, November 10, 2023 (or, in the event of any adjournment, 48 hours prior to the time of the adjourned Meeting), and transfers registered after that time shall be disregarded in determining entitlements to attend and vote at the Meeting.

All shareholders whose shareholdings are registered in the register of shareholders on Friday, October 6, 2023 and all non-registered (or beneficial) shareholders on Friday, October 6, 2023 are entitled to receive this Notice of Meeting. Persons who become registered as shareholders of Ordinary Shares or non-registered (or beneficial) shareholders at any time after the applicable record date for the Notice of Meeting and on or before the record date for attending and voting at the Meeting shall be entitled to receive from the Corporation a copy of the Notice of Meeting and this Circular on request to the appropriate share registry.

PROXIES

This Circular is furnished in connection with the solicitation, by or on behalf of the management of the Corporation, of proxies to be used at the Meeting or at any adjournment thereof. It is expected that the solicitation will be primarily by mail, but proxies may also be solicited personally, by advertisement or by telephone, by directors, officers or employees of the Corporation without special compensation. The cost of solicitation will be borne by the Corporation at a nominal cost.

Each shareholder entitled to attend and vote at the Meeting has the right to appoint a proxy (or proxies) to represent them and exercise all or any of their rights to attend, speak and vote at the Meeting or at any adjournment thereof. A shareholder can appoint more than one proxy in relation to the Meeting, provided that each proxy is appointed to exercise the rights attached to a different share(s) held by the shareholder. Further details are set out in the notes to the proxy form. A proxy form which may be used to make this appointment and give proxy instructions accompanies this Circular. You can only appoint a proxy using the procedures set out in these notes and the notes to the proxy form. A proxy may be a person or a company and need not be a shareholder of the Corporation or the person designated by management in the enclosed proxy form. The right to appoint a proxy of your choice may be exercised by inserting the name of the person or company in the blank space provided in the enclosed proxy form or by completing another proxy form.

The appointment of a proxy will not prevent a shareholder from subsequently attending and voting at the Meeting in person, in which case any votes cast by the proxy will be excluded and your proxy appointment will automatically be terminated. You may also revoke your proxy appointment by depositing an instrument in writing signed by you at the registered office of the Corporation at any time up to and including the last business day preceding the day of the Meeting, or in the case of any adjournment of the Meeting, the last business day preceding the day of the adjournment, or with the Chairman of the Meeting on the day of, and prior to the start of, the Meeting or any adjournment thereof. A shareholder may also revoke a proxy in any other manner permitted by law.

To appoint a proxy, using the proxy form, the form must be completed and signed; sent or delivered to the Corporation's transfer agent, Computershare Trust Company of Canada (the "**Transfer Agent**"), by mail or delivery to the attention of the Proxy Department of Computershare Investor Services Inc. at 100 University Avenue, 8th Floor,

Toronto, Ontario, Canada, M5J 2Y1, facsimile number (416) 263-9524 (or 1 (866) 249-7775 if within North America) or by using the internet at www.investorvote.com or by telephone at 1-866-732-8683 (VOTE), or as described in the instructions accompanying the proxy; and received by the Transfer Agent no later than 10:00 A.M. (GMT) on Wednesday, November 8, 2023.

In the case of a shareholder which is a company, the proxy form must be executed under its common seal or signed on its behalf by an officer of the company or an attorney for the company. Any power of attorney or any other authority under which the proxy form is signed (or a duly certified copy of such power or authority) must be included with the proxy form. In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Corporation's register of shareholders in respect of the joint holding (the first named being the most senior).

If you submit more than one valid proxy appointment in respect of the same share for use at the same meeting or poll, the appointment received last before the latest time for the receipt of proxies will take precedence. Under the *Companies (Jersey) Law 1991*, a body corporate may only appoint one corporate representative. A share owner which is a body corporate that wishes to allocate its votes to more than one person should use the proxy arrangements.

MANNER OF VOTING AND EXERCISE OF DISCRETION BY PROXIES

Your shares will be voted for or against, or withheld from voting on each item listed on the proxy in accordance with your instructions on your proxy. **If you do not specify how you want to vote on any item listed on the proxy, the person(s) designated by management of the Corporation in the proxy will vote the shares represented by the proxy FOR the approval of that item.** If you choose to appoint someone other than the directors or officers named in the proxy to vote on your behalf at the Meeting, he or she will be entitled to vote your shares in accordance with your instructions. On items for which you do not specify how you want to vote, your proxy holder will vote your shares as he or she sees fit. The proxy also confers discretionary authority upon the persons named therein to vote with respect to any amendments or variations to the matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting in such manner as such nominee in his judgment may determine. At the time of printing this Circular, the management of the Corporation knows of no such amendments, variations or other matters to come before the Meeting. Note that a vote withheld is not a vote in law, which means that the vote will not be counted in the calculation of votes either for or against any resolution.

REVOCATION OF PROXIES

A Shareholder who has given a proxy may revoke it by an instrument in writing executed by the Shareholder or by his attorney authorized in writing or, where the Shareholder is a corporation, by a duly authorized officer or attorney of the corporation, and delivered to the office of the Transfer Agent, by mail or delivery to: Computershare Investor Services Inc., 8th Floor, 100 University Avenue, Toronto, Ontario M5J 2Y1, at any time up to and including the last business day preceding the day of the Meeting, or if adjourned, any reconvening thereof, or to the Chairman of the Meeting on the day of the Meeting or, if adjourned, any reconvening thereof or in any other manner provided by law. A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

NON-REGISTERED (OR BENEFICIAL) SHAREHOLDERS IN CANADA

Many shareholders in Canada and elsewhere are non-registered shareholders because the Ordinary Shares they own are not registered in their names but are instead registered in the name of an intermediary such as the brokerage firm, bank or trust corporation through which they purchased the Ordinary Shares. A non-registered (or beneficial) shareholder typically holds their Ordinary Shares either: (a) in the name of the intermediary that such shareholder deals with in respect of the Ordinary Shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans); or (b) in the name of a clearing agency (such as "CDS Inc.", the registration name for CDS Clearing and Depository Services Inc., which acts as nominee for many Canadian brokerage firms).

The Corporation will not be relying on the notice and access delivery procedures outlined in National Instrument 54-101 - Communications with Beneficial Owners of Securities of a Reporting Issuer of the Canadian Securities Administrators ("**NI 54-101**") to distribute copies of proxy-related materials in connection with the Meeting.

Copies of the Notice of Meeting, this Circular and the proxy form (collectively, the "**Meeting Materials**") are being sent to both registered owners of the securities and to non-registered (or beneficial) shareholders. If you are a non-registered (or beneficial) shareholder and the Corporation or its agent has sent these materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf. By choosing to send these materials to you directly, the issuer (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

In accordance with the requirements of NI 54-101, the Corporation has distributed copies of the Meeting Materials to CDS and intermediaries (each as defined in NI 54-101) for onward distribution to non-registered (or beneficial) shareholders who are "**OBOs**" (as such term is defined in NI 54-101). The Corporation intends to pay for an intermediary to forward the Meeting Materials to OBOs, including a voting instruction form (as described further below).

If you are a non-registered (or beneficial) shareholder and you have not declined to receive the Meeting Materials, then you will receive either a voting instruction form or, less frequently, a partially completed proxy form. The purpose of these forms is to permit you to direct the voting of your Ordinary Shares that you beneficially own. If you are a non-registered (or beneficial) shareholder you should follow the procedures set out below, depending on which type of form you receive.

- (a) ***Voting Instruction Form.*** In most cases, you will receive, as part of the Meeting Materials, a voting instruction form. If you do not wish to attend and vote at the Meeting in person (or have another person attend and vote on your behalf), the voting instruction form must be completed, signed and returned in accordance with the directions on the form. If you wish to attend and vote at the Meeting in person (or have another person attend and vote on your behalf), then you must complete, sign and return the voting instruction form in accordance with the directions provided and a form of proxy giving the right to attend and vote will be forwarded to you.

or

- (b) ***Form of Proxy.*** Less frequently, you will receive, as part of the Meeting Materials, a form of proxy that has *already* been signed by the intermediary (typically by a facsimile, stamped signature) which is restricted as to the number of Ordinary Shares beneficially owned by you, but which is otherwise incomplete. If you do not wish to attend and vote at the Meeting in person (or have another person attend and vote on your behalf), you must complete the form of proxy and deposit it with the Transfer Agent, as described above. If you wish to attend and vote at the Meeting in person (or have another person attend and vote on your behalf), you must strike out the names of the persons named in the proxy and insert your name (or such other person's) name in the blank space provided.

In any case, the purpose of this procedure is to permit a non-registered (or beneficial) shareholder to direct the voting of the Ordinary Shares which they beneficially own. Should a non-registered (or beneficial) shareholder who receives one of the above forms wish to vote at the Meeting in person, such beneficial owner should strike out the names of the management proxy holders and insert his or her name in the blank space provided. Non-registered (or beneficial) shareholders should follow the instructions on the forms they receive, including those regarding when and where the forms are to be delivered, and contact their Intermediaries promptly if they need assistance.

Resolution 4 also confers power and authority on the Corporation's board of directors to make any changes to the Stock Option Plan in accordance with its terms and as may be required from time to time to comply with the rules of the TSX Venture Exchange (the "**TSXV**").

Purpose of the Proposed Stock Option Plan

On November 24, 2021, the TSX Venture Exchange (the "**TSXV**") revised its policy (the "**Revised Policy**") on security based compensation, including stock option plans. On July 25, 2022, the Board adopted a new Stock Option Plan of the Corporation to comply with the requirements of the Revised Policy. The Stock Option Plan was previously approved by Shareholders on July 25th, 2022.

The purpose of the Stock Option Plan is to encourage Ordinary Share ownership by directors, officers, employees and consultants of the Corporation.

The Stock Option Plan is a "rolling" plan as the number of Ordinary Shares reserved for issuance pursuant to the grant of stock options will increase as the Corporation's issued and outstanding share capital increases. At no time will more than 10% of the outstanding Ordinary Shares be subject to grant under the Stock Option Plan. If a stock option expires, is exercised or otherwise terminates for any reason, the number of Ordinary Shares of the Corporation in respect of that expired, exercised or terminated stock option shall again be available for grant for the purpose of the Stock Option Plan. The principal features of the Stock Option Plan are described in more detail below in the section entitled "*Statement of Executive Compensation – Stock Option Plan and other Incentive Plans*".

Under the Revised Policy, the Corporation must obtain shareholder approval of the Stock Option Plan at the Meeting. In addition, because the Stock Option Plan is a "rolling" 10% plan under the Revised Policy, the Corporation's shareholders must approve the Stock Option Plan at each subsequent annual meeting of the shareholders.

As at the date of this Circular, the Corporation had 21,600,000 Ordinary Shares reserved for issuance pursuant stock options outstanding under the Stock Option Plan (8.13% of the Corporation's issued and outstanding Ordinary Shares) and 4,969,580 Ordinary Shares reserved for issuance pursuant to options available to be granted under the Stock Option Plan (1.87% of the Corporation's issued and outstanding Ordinary Shares).

Unless otherwise directed, the management designees named in the accompanying Instrument of Proxy intend to vote in favour of the Stock Option Plan Resolution, approving and authorizing the Stock Option Plan. The directors of the Corporation recommend that Shareholders vote FOR the Stock Option Plan Resolution at the Meeting.

5. OTHER MATTERS WHICH MAY COME BEFORE THE MEETING

The Corporation's management knows of no matters to come before the Meeting other than as set forth in the Notice of Meeting. However, if other matters which are not known to the management should properly come before the Meeting, the accompanying proxy will be voted on such matters in accordance with the best judgment of the persons voting the proxy.

Employment Contracts

Except as set out below, the Corporation has no arrangements that provide for payments to its Named Executive Officers at, following or in connection with any termination (whether voluntary, involuntary or constructive), resignation, retirement, a change in control of the Corporation, its subsidiaries or affiliates or a change in a Named Executive Officer's responsibilities.

Dr. Timothy Coughlin

Pursuant to an employment agreement (the "**Coughlin Agreement**") dated effective January 22, 2014, between the Corporation and Dr. Timothy Coughlin and written variations thereof, the Corporation's President and CEO, Dr. Coughlin receives an annual base salary of £150,000.

If the Corporation terminates the Coughlin Agreement without cause, the Corporation agreed to (i) pay to Dr. Coughlin an amount equal to twelve (12) months of his base salary, (ii) continue his group health insurance and other benefits for a period of six (6) months, and (iii) pay to him an amount equal to the bonus received by him for the Corporation's most recently completed financial year (whether paid or accrued) prior such time.

If both a change of control and a "triggering event" (as described below) occurs within twelve (12) months of the date of the change of control, Dr. Coughlin will be entitled to elect to terminate his employment with the Corporation and the Corporation will (i) pay to Dr. Coughlin an amount equal to twenty-four (24) months of his base salary, (ii) continue his group health insurance and other benefits for a period of six months, and (iii) pay to him an amount equal to two times his annual bonus, determined in the manner described above.

Under the Coughlin Agreement, a "triggering event" includes the following events: (i) a change in the executive's position or duties, responsibilities (including a change in the person or body to whom the executive reports at the date of a change in control), title or office in effect immediately prior to a change in control; (ii) a reduction of the executive's salary, benefits or any other form of remuneration; (iii) a change in the municipality in which the executive is regularly required to carry out the terms of his employment with the Corporation at the date of a change in control; (iv) a failure to provide the agreed vacation; and (v) a breach of, or failure by a successor to assume the Coughlin Agreement.

The Coughlin Agreement contains customary provisions restricting the disclosure of the Corporation's confidential information and provides that Dr. Coughlin may not solicit or interfere with the employees and financiers of the Corporation for a period of two (2) years from the termination of his employment.

Cindy Davis

Ms. Davis, the Corporation's Chief Financial Officer, provides her services to the Corporation in accordance with the terms of a consulting agreement (the "**MSSI Agreement**") dated November 11, 2020, between the Corporation, Marrelli Support Services Inc. ("**MSSI**"), an external management company, and Cindy Davis. All compensation paid by the Corporation in respect of Ms. Davis's service to the Corporation as disclosed herein was or is expected to be paid to MSSI and not directly to Ms. Davis, except for any stock options that may be granted to her. In accordance with the terms of the MSSI Agreement, the Corporation agreed to pay MSSI \$2,500 per month for the services of Ms. Davis.

Compensation Discussion and Analysis

Director and NEO compensation

Executive compensation is based upon the need to provide a compensation package that will allow the Corporation to attract and retain qualified and experienced executives, balanced with a pay-for performance philosophy. Compensation for this financial year and prior financial years have historically been based upon a negotiated salary, with stock options and bonuses potentially being issued and paid as an incentive for performance.

The Corporation has a compensation committee (the "**Compensation Committee**"), which has the responsibility to administer compensation policies related to the executive management, being the President, Chief Executive Officer and Chief Financial Officer, of the Corporation. The Compensation Committee makes recommendations to the Board with respect to compensation matters for Director's and NEO's. All compensation payable to Directors and NEOs is determined by the Board after considering any recommendations from the Compensation Committee.

Option-Based Awards

The Compensation Committee has the responsibility to administer compensation policies related to directors and executive management of the Corporation, including option-based awards. All stock option grants are determined by the Board after considering any recommendations from the Compensation Committee.

Shareholders have approved a stock option plan pursuant to which the Board has granted stock options to executive officers. The stock option plan provides compensation to participants and an additional incentive to work toward long-term Corporation performance. See heading below "Particulars of Matters to be Acted Upon - Ratification of Rolling Stock Option Plan" for further disclosure on the stock option plan.

Executive compensation is based upon the need to provide a compensation package that will allow the Corporation to attract and retain qualified and experienced executives, balanced with a pay-for-performance philosophy. The stock option plan has been and will be used to provide share purchase options which are granted in consideration of the level of responsibility of the executive as well as his or her impact and/or contribution to the longer-term operating performance of the Corporation. In determining the number of options to be granted to the executive officers, the Board takes into account the number of options, if any, previously granted to each executive officer and the exercise price of any outstanding options to ensure that such grants are in accordance with the policies of the TSXV, and closely align the interests of the executive officers with the interests of the Corporation's shareholders.

Stock Option Plan and other Incentive Plans

On November 24, 2021, the TSXV adopted the Revised Policy governing security based compensation. The changes to the Revised Policy generally relate to the expansion of the policy to cover a number of types of security based compensation in addition to stock options. In order to comply with the Revised Policy, the Board is recommending that certain amendments be made to the Stock Option Plan.

Currently, the only types of security based compensation that have been granted by the Corporation and that remain outstanding are stock options, of which there are 21,600,000 outstanding. The purpose of the Stock Option Plan is to advance the interests of the Corporation by encouraging equity participation in the Corporation through the acquisition of Ordinary Shares. The Stock Option Plan is administered by the Board, which has full and final authority with respect to the granting of all stock options thereunder.

The Stock Option Plan provides that the aggregate number of securities reserved for issuance under the Plan, combined with any other compensation securities of the Corporation will not exceed 10% of the number of Ordinary Shares issued and outstanding from time to time. Stock options ("**Options**") may be granted under the Stock Option Plan to service providers of the Corporation and its affiliates, as the Board may from time to time designate. The exercise price of each Option shall be determined by the Board in its sole discretion, at the time such Option is allocated under the Plan, and cannot be less than the Discounted Market Price (as defined in the policies of the TSXV). All

Options granted under the Plan will expire no later than the date that is ten (10) years from the date that such Options are granted.

The Stock Option Plan provides for the following restrictions: (a) no service provider of the Corporation may be granted an Option if that option would result in the total number of Options granted to the Participant in the previous 12 months, exceeding 5% of the issued and outstanding Ordinary Shares unless the Corporation has obtained disinterested shareholder approval in accordance with TSXV policies; (b) the aggregate number of Options granted to service providers of the Corporation conducting Investor Relations Activities (as defined in the policies of the TSXV) in any 12 month period must not exceed 2% of the issued and outstanding Ordinary Shares, calculated at the time of grant; and (c) the aggregate number of Options granted to any one consultant in any 12 month period must not exceed 2% of the issued and outstanding Ordinary Shares, calculated at the time of grant, without prior consent of the TSXV.

If a holder of Options (the "**Optionee**") ceases to be a director or officer of the Corporation or ceases to be employed by the Corporation (other than by reason of death), or ceases to be a consultant of the Corporation as the case may be, Options may be exercised after the Optionee has left his/her employ/office or has been advised by the Corporation that his/her services are no longer required or his/her service contract has expired, until the term applicable to such Options expires, except as follows: (a) in the case of the death of an Optionee, any vested Option held by him at the date of death will become exercisable by the Optionee's lawful personal representatives, heirs or executors until the earlier of one year after the date of death of such Optionee and the date of expiration of the term otherwise applicable to such Option; (b) an Option granted to any Service Provider will expire 90 days (or such other time, not to exceed one year, as shall be determined by the board of directors of the Corporation as at the date of grant or agreed to by the board of directors of the Corporation and the Optionee at any time prior to expiry of the Option) after the date of termination, and only to the extent that such Option was vested at the date of termination; and (c) in the case of an Optionee being dismissed from employment or service for cause, such Optionee's Options, whether or not vested at the date of dismissal, will immediately terminate on the date of termination without right to exercise same.

Optionees may elect to exercise an Option, in whole or in part, on a "cashless exercise" ("**Cashless Exercise**") basis or a "net exercise" ("**Net Exercise**") basis. In connection with a Cashless Exercise of Options, a brokerage firm will loan money to an Optionee to purchase Ordinary Shares underlying the Options, and will sell a sufficient number of Ordinary Shares to cover the exercise price of the Options in order to repay the loan made to the Optionee and the Optionee retains the balance of the Ordinary Shares. In connection with a Net Exercise of Options, an Optionee would receive such number of Ordinary Shares equal in value to the difference between the Option price and the fair market value of the Ordinary Shares on the date of exercise, computed in accordance with the terms of the Stock Option Plan.

The foregoing information is intended to be a brief description of the Stock Option Plan and is qualified in its entirety by the full text of the Stock Option Plan. The Corporation has no equity compensation plans other than the Stock Option Plan.

Gender Diversity in Executive Officer Positions

The Corporation has not adopted a formal policy which specifies targets regarding the representation of women in executive officer positions or on its board of directors. While the Corporation believes that diversity, including gender diversity, is an important consideration in determining the makeup of its executive team, it is only one of a number of factors (which include merit, talent, experience, expertise, leadership capabilities, innovative thinking and strategic agility), that are considered in selecting the best candidates for executive positions.

The Corporation has not provided any compensation to such persons as a result of a change of control of the Corporation, its subsidiaries or affiliates. Except as set forth under the heading "*Employment, Consulting and Management Agreements*", the Corporation is not party to any compensation plan or arrangement with Named Executive Officers or directors of the Corporation resulting from the resignation, retirement or the termination of employment of such person.

INDEBTEDNESS OF DIRECTORS AND EXECUTIVE OFFICERS

None of the Corporation's directors, executive officers or employees, or former directors, executive officers or employees, nor any associate of such individuals, is as at the date hereof, or has been, during the financial year ended December 31, 2022, indebted to the Corporation in connection with a purchase of securities or otherwise. In addition, no indebtedness of these individuals to another entity has been the subject of a guarantee, support agreement, letter of credit or similar arrangement or understanding of the Corporation.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

No person who has been a director or an officer of the Corporation at any time since the beginning of its last completed financial year or any associate of any such director or officer has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the meeting, except as disclosed in this Circular.

The Corporation believes that effective corporate governance improves corporate performance and benefits all of its shareholders. The following statement of corporate governance practices sets out the Board's review of the Corporation's governance practices relative to 58-101-*Disclosure of Corporate Governance Practices* and National Policy 58-201 - *Corporate Governance Guidelines*.

Board of Directors

The Board maintains the exercise of independent supervision over management by ensuring that the majority of its directors are independent. Dr. Timothy Coughlin, Director, President and Chief Executive Officer, is not independent by virtue of his position as an executive officer of the Corporation. The Corporation's other directors have each been determined to be independent.

Directorships

The following members of the Board currently hold directorships in other reporting issuers (or the equivalent) as set forth below:

<u>Name of Director</u>	<u>Name of Reporting Issuer</u>	<u>Exchange</u>
Jonathan Hill	Stratabound Minerals Corp.	TSXV
	Lavras Gold Corp.	TSXV
	Avanti Gold Corp	CSE
Tim Coughlin	Kingsrose Mining Ltd	ASX

Orientation and Continuing Education of Board Members

The Corporation currently does not have any formal orientation or continuing education programs in place for new directors, as there have been no changes in Board membership since incorporation. At such time as there is a change in the Board, this policy will be reviewed.

Ethical Business Conduct

The Board is of the view that the fiduciary duties placed on individual directors pursuant to corporate legislation and the common law, and the conflict of interest provisions under corporate legislation which restricts an individual director's participation in decisions of the Board in which the director has an interest, have been sufficient to ensure that the Board operates independently of management and in the best interests of the Corporation. The Corporation Board has also adopted a whistleblower protection with respect to confidential and anonymous reporting of complaints and regularities.

Nomination of Directors

The size of the Board is reviewed annually when the Board considers the number of directors to recommend for election at the annual meeting of shareholders. The Board takes into account the number of directors required to carry out the Board duties effectively, and to maintain a diversity of view and experience.

Other Board Committees

The Board of Directors has established the Audit Committee and the Compensation Committee, as described below.

Audit Committee

See the disclosure under the heading "Audit Committee Disclosure" below for information about the Audit Committee.

Compensation Committee

The Compensation Committee currently consists of Marcus Stone, Roderick Corrie and Jon Hill. Marcus Stone is the Chairman of the Compensation Committee. The Compensation Committee has been established to assist the Board of Directors in settling compensation of directors and senior executives, and developing and submitting to the Board of Directors recommendations with regard to other employee benefits.

The Compensation Committee meets as frequently as required. The Compensation Committee members do not hold regularly scheduled meetings at which non-independent directors and members of management are not in attendance. However, during the course of a Committee meeting, if a matter is more effectively dealt with without the presence of members of management, the Compensation Committee members meet independently of management and/or other directors, as appropriate.

The Compensation Committee reviews and approves corporate goals and objectives relative to the compensation of the CEO and the CFO and assesses each of their performance in light of those goals and objectives. In addition, the Compensation Committee makes recommendations to the Board with respect to the compensation (including salary, bonus and stock options) and benefits of the CEO and the other senior officers of the Corporation and reviews and approves the terms of the employment agreements and severance arrangements of the CEO and other senior officers of the Corporation. The Compensation Committee reviews and assesses periodically the compensation structure and benefit plans (including equity-based incentive plans) of the Corporation and makes recommendations to the Board with respect thereto. On an annual basis, the Compensation Committee also reviews the compensation payable to directors of the Corporation in relation to their service on the Board and Board Committees, and makes recommendations to the Board with respect thereto.

To determine compensation payable, the Compensation Committee reviews compensation paid to the

directors, CEO and other senior officers, in companies of similar size and stage of development in the mining and mineral exploration industry and determine an appropriate compensation reflecting the need to provide incentive and compensation for the time and effort expended by the directors and senior management while taking into account the financial and other resources of the Corporation.

Assessment of Directors, the Board and Board Committees

The Board monitors the adequacy of information given to directors, the communications between the Board and management and the strategic direction and processes of the Board and its Audit Committee, to satisfy itself that the Board, its Audit Committee and its individual directors are performing effectively.

Risk and Environmental, Social and Corporate Governance Committee

The Risk and ESG Committee currently consists of Ana Juárez and Hugh Devlin. Ana Juarez is the Chairman of the Risk and ESG Committee, with Jon Hill as back up for any resolution of deadlock. Guy Wallis acts as advisor to the Risk and ESG Committee.

ROYAL ROAD MINERALS LIMITED

AUDIT COMMITTEE CHARTER

Audit Committee Charter

1. Purpose and Authority

The Audit Committee ("**Committee**") is a committee of the board of directors (the "**Board**") of Royal Road Minerals Limited (the "**Corporation**"). Its primary function shall be to assist the Board in fulfilling its oversight responsibilities with respect to accounting and financial reporting processes, the integrity of the financial statements the Corporation, compliance with legal and regulatory requirements, the overall adequacy and maintenance of the systems of internal controls that management has established and the overall responsibility for the Corporation's external and internal audit processes including the external auditor's qualifications, independence and performance.

The Committee shall have access to such officers and employees of the Corporation, its external auditor and its legal counsel as the Committee considers to be necessary or desirable in order to perform its duties and responsibilities. In addition, the Committee shall have the authority and funding to retain independent legal, accounting and other consultants to advise the Committee. The Corporation shall provide for appropriate funding, as determined by the Committee, for payment of compensation to any advisers employed by the Committee and to the external auditor employed by the Corporation for the purpose of rendering or issuing an audit report or performing other audit, review or attest services and ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties.

The Committee shall be accountable to the Board. In the course of fulfilling its specific responsibilities, the Committee shall maintain open communication between the Corporation's external auditor and the Board.

The responsibilities of a member of the Committee shall be in addition to such member's duties as a member of the Board.

The Committee has the duty to review and ensure that the Corporation's financial disclosures are complete and accurate, are in accordance with generally accepted accounting principles and fairly present the financial position and risks of the organization. The Committee should, where it deems appropriate, review compliance with laws and regulations and the Corporation's own policies.

The Committee will provide the Board with such recommendations and reports with respect to the financial disclosures of the Corporation as it deems advisable.

2. Membership and Composition

The Committee shall consist of at least three independent directors who shall serve on behalf of the Board. The Board, at its organizational meeting held in conjunction with each annual general meeting of the Shareholders, shall appoint the members of the Committee for the ensuing year. Each member shall meet the independence, financial literacy and experience requirements of the TSX Venture Exchange, and any other exchange upon which the securities of the Corporation may be listed to the extent required by the rules of such exchange, National Instrument 52-110 – *Audit Committees* and other regulatory agencies as required. The Board may, at any time, remove or replace any member of the Committee and may fill any vacancy in the Committee.

Financial literacy requires that all members of the Committee shall have the ability to read and understand a set of financial statements that present the breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of issues that can reasonably be expected to be raised by the Corporation's financial statements.

A majority of members of the Committee, present in person or by telephone or other telecommunication device that permits all persons participating in the meeting to speak and to hear each other, will constitute a quorum for a meeting of the Committee.

The Board will appoint one member of the Committee to act as the chair ("**Chair**") of the Committee. In his or her absence, the Committee may appoint another person to act as chair of a meeting of the Committee provided a quorum is present. The Chair will appoint a secretary of the meeting, who need not be a member of the Committee and who will maintain the minutes of the meeting.

3. Meetings

At the request of the external auditor, the Chair of the Board, the Chief Executive Officer or the Chief Financial Officer of the Corporation or any member of the Committee, the Chair of the Committee will convene a meeting of the Committee. In advance of every meeting of the Committee, the Chair, with the assistance of the Chief Financial Officer, will ensure that the agenda and meeting materials are distributed in a timely manner.

The Committee shall meet regularly and at least on a quarterly basis. The Committee shall hold in camera sessions without the presence of management after each meeting.

4. Duties and Responsibilities

The Committee shall take charge of all responsibilities imparted on an audit committee of the Corporation, as they may apply from time to time, under the *Companies (Jersey) Law 1991*, National Instrument 52-110 – Audit Committees and stock exchange rules. The duties and responsibilities of the Committee include the following:

4.1 Financial Reporting and Disclosure

- (g) Meet with the external auditor and management in separate executive sessions, as necessary or appropriate, to discuss any matters that the Committee or any of these groups believe should be discussed privately with the Committee.
- (h) Ensure that management has the proper and adequate systems and procedures in place for the review of the Corporation's financial statements, financial reports and other financial information including all Corporation disclosure of financial information extracted or derived from the Corporation's financial statements, and that they satisfy all legal and regulatory requirements. The Committee shall periodically assess the adequacy of such procedures.
- (i) Review with the Corporation's counsel, management and the external auditor any legal or regulatory matter, including reports or correspondence, which could have a material impact on the Corporation's financial statements or compliance policies.
- (j) Based on discussions with the external auditor concerning the audit, the financial statement review and such other matters as the Committee deems appropriate, recommend to the Board the filing of the audited annual and unaudited quarterly financial statements and MD&A on SEDAR and the inclusion of the audited financial statements in the Annual Report on Form 40-F.

4.2 External Auditor

- (a) Be responsible for recommending to the Board the appointment of the Corporation's external auditor and for the compensation, retention and oversight of the work of the external auditor employed by the Corporation. The external auditor shall report directly to the Committee. The Committee shall be responsible to resolve any disagreements, if any, between management and the external auditor regarding financial reporting.
- (b) Consider, in consultation with the external auditor, the audit scope and plan of the external auditor.
- (c) Confirm with the external auditor and receive written confirmation at least once per year as to the external auditor's internal processes and quality control and disclosure of any investigations or government enquiries, reviews or investigations of the external auditor.
- (d) Take reasonable steps to confirm at least annually the independence of the external auditor, which shall include:
 - (i) ensuring receipt from the external auditor of a formal written statement delineating all relationships between the external auditor and the Corporation, consistent with IFRS, and determine that they satisfy the requirements of all applicable securities laws,
 - (ii) considering and discussing with the external auditor any disclosed relationships or services, including non-audit services, that may impact the objectivity and independence of the external auditor, and
 - (iii) approving in advance any audit or permissible non-audit related services provided by the external auditor to the Corporation with a view to ensuring independence of the external auditor, and in accordance with any applicable regulatory requirements, including the requirements of all applicable securities laws with respect to approval of non-audit related

served performed by the external auditor.

- (e) Approve the lead audit partner for the Corporation's external auditor, confirm that such lead partner has not performed audit services for the Corporation for more than five previous fiscal years, and otherwise ensure the rotation of the lead partner and other partners in accordance with all applicable securities laws.
- (f) Review and approve the Corporation's hiring policies regarding partners, employees and former employees of the present and former external auditors of the Corporation.

4.3 Internal Controls and Audit

- (a) Review and assess the adequacy and effectiveness of the Corporation's systems of internal control and management information systems through discussion with management and the external auditor to ensure that the Corporation maintains appropriate systems, is able to assess the pertinent risks of the Corporation and that the risk of a material misstatement in the financial disclosures can be detected.
- (b) Assess the requirement for the appointment of an internal auditor for the Corporation.
- (c) Review disclosures made to the Committee by the Corporation's Chief Executive Officer and Chief Financial Officer during their certification process required under applicable Canadian and United States securities laws. Review any significant deficiencies in the design and operation of internal controls over financial reporting or disclosure controls and procedures and any fraud involving management or other employees who have a significant role in the Corporation's internal controls.

4.4 General

- (a) Conduct an ongoing review of any transaction now in effect, and review and approve in advance any proposed transaction, that could be within the scope of "related party transactions" as such term is defined in applicable securities laws, and establish appropriate procedures to receive material information about and prior notice of any such transaction.
- (b) Establish procedures for the receipt, retention and treatment of complaints received by the Corporation regarding accounting, internal accounting controls or auditing matters; and for the confidential, anonymous submission by employees of the Corporation of concerns regarding questionable accounting or auditing matters.
- (c) Conduct or authorize investigations into any matter within the scope of this Charter. The Committee may request that any officer or employee of the Corporation, its external legal counsel or its external auditor attend a meeting of the Committee or meet with any member(s) of the Committee.
- (d) Review the qualifications of the senior accounting and financial personnel.
- (e) Enquire of management and the external auditor regarding significant financial risks or exposures and the steps management has taken to minimize such risks to the Corporation.
- (f) Perform any other activities consistent with this Charter, the Corporation's Articles and governing law, as the Committee or the Board deems necessary or appropriate.

4.5 Oversight Function

While the Committee has the responsibilities and powers set out in this Charter, it is not the duty of the Committee to plan or conduct audits or to determine that the Corporation's financial statements are complete and accurate or are in accordance with IFRS and applicable rules and regulations. These are the responsibilities of management and the

external auditor. The Committee and the Chair and any members of the Committee identified as having accounting or related financial expertise are members of the Board, appointed to the Committee to provide broad oversight of the financial, risk and control related activities of the Corporation, and are specifically not accountable or responsible for the day to day operation or performance of such activities. Although the designation of a member as having accounting or related financial expertise for disclosure purposes is based on that individual's education and experience, which that individual will bring to bear in carrying out his or her duties on the Committee, such designation does not impose on such person any duties, obligations or liability that are greater than the duties, obligations and liability imposed on such person as a member of the Committee and the Board in the absence of such designation. Rather, the role of a member of the Committee who is identified as having accounting or related financial expertise, like the role of all members of the Committee, is to oversee the process, not to certify or guarantee the internal or external audit of the Corporation's financial information or public disclosure.

5. Chair of the Committee

The Chair of the Committee:

- (a) provides leadership to the Committee with respect to its functions as described in this Charter and as otherwise may be appropriate, including overseeing the logistics of the operations of the Committee;
- (b) chairs meetings of the Committee, unless not present, including in camera sessions, and reports to the Board following each meeting of the Committee on the findings, activities and any recommendations of the Committee;
- (c) ensures that the Committee meets on a regular basis and at least quarterly;
- (d) in consultation with the Chair of the Board and the Committee members, establishes a calendar for holding meetings of the Committee;
- (e) establishes the agenda for each meeting of the Committee, with input from other Committee members, the Chair of the Board, and any other parties as applicable;
- (f) acts as liaison and maintains communication with the Chair of the Board and the Board to optimize and co-ordinate input from Board members, and to optimize the effectiveness of the Committee. This includes reporting to the full Board on all proceedings and deliberations of the Committee at the first meeting of the Board after each Committee meeting and at such other times and in such manner as the Committee considers advisable;
- (g) reports annually to the Board on the role of the Committee and the effectiveness of the Committee's role in contributing to the objectives and responsibilities of the Board as a whole;
- (h) ensures that the members of the Committee understand and discharge their duties and obligations;
- (i) fosters ethical and responsible decision making by the Committee and its individual members;
- (j) together with the Corporate Governance and Nominating Committee, oversees the structure, composition, membership and activities delegated to the Committee from time to time;
- (k) ensures that resources and expertise are available to the Committee so that it may conduct its work effectively and efficiently and pre-approves work to be done for the Committee by consultants;
- (l) facilitates effective communication between members of the Committee and management;
- (m) addresses, or causes to be addressed, all concerns communicated to him or her under the Corporation's Whistleblower Policy or Code of Conduct; and

- (n) performs such other duties and responsibilities as may be delegated to the Chair of the Committee by the Board from time to time.

This Charter will be reviewed annually and any recommended changes will be submitted to the Board for approval.
